HOW CAN COSS HELP YOU?

COSS can support you to manage the barriers you face in gaining and maintaining a tenancy through;

- Assisting you to find emergency housing,
- Working with you to find suitable long term affordable housing,
- Assisting you to get help from other services and organisations (if required).

COSS workers have a sound knowledge of the different types of accommodation available in Tasmania and are able to assist you to find a home.

COSS workers will support you by talking to you about your goals and your strengths and assisting you to overcome the challenges you face.

COSS WILL SUPPORT YOU TO FIND AND MAINTAIN A HOME

- We will find out what you need to help you straight away
- Talk about your immediate and longer-term housing options and discuss how we can best support your needs
- We can give you information about other services and assist you to negotiate with real estate agents or land lords
- If it is appropriate we will help you to address barriers to successful tenancy with clear advice, referral and information that will assist you to make informed choices
- We can assist with finding a home that is affordable and sustainable
- We provide free phone and newspaper access five days a week.
