Stepping into the Future

Colony Partnership Brokers are connecting the east coast community to local and state wide opportunities for training and employment.

The **Stepping into the Future** event at Triabunna, Thursday 10 April will bring together more than 40 Future Makers (businesses, service providers and recruitment agencies) to promote a shared vision of growth and development in the Glamorgan/Spring Bay community.

The aim is to provide students, jobseekers and the greater community with an interactive and interesting introduction to various occupations and services which can be accessed in the area.

The program will include:

- 1.30 pm to 3.30 pm Future Makers information booths.
- 3.45 pm to 4.45 pm Visit and tour of the Spring Bay Mill
- 5.00 pm to 6.00 pm Networking, catering by Triabunna District School
- 6.00 pm to 8.00 pm Presentations at Triabunna District School – Jobs of the Future

A community BBQ arranged by the Triabunna District School will set the stage for evening presentations beginning at 6:00pm by guest speakers who will talk about emerging industries and the skills needed into the future.

This event which has been 6 months in the making is a partnership between Colony 47, the East Coast Regional Development Organisation, Orford Triabunna Chamber of Commerce, Aqua Marine, LINC Tasmania (Sorell), Tasmanian Enterprise Centre, Regional Development Australia, Steps Group and the Glamorgan Spring Bay Council, with support from the Australian Government Department of Employment.

EVENT DETAILS:
